

COSTUME, PROP AND HEADGEAR CATALOGUE

Mt Martha School of dance is offering a hire service which includes an array of costumes, headgear and props, which are suitable for classical/modern dance items and also Primary and Secondary school productions.

We have included photo samples of what is available for hire and there will be more stock available so please do not hesitate to enquire.

Many of the items for hire are more elaborate than they appear in the photos. Many are made with intricate detail including sequins and beautiful fabrics which are sometimes not clear in the photos; therefore we suggest making an appointment to view the items.

We are also available to discuss ideas and suggestions for your upcoming performance or event. If you inform us of your concept we may be able to suggest accessories or costumes to hire.

If you would like to view or hire some of these items please call Mt Martha School of Dance on **5974 1498** or e-mail us at vicki@mountmarthaschoolofdance.com.au

Prices will be quoted on an individual basis depending on amount hired and length of time hired.
